

SERVICORP

INNOVATIVE CLEANING, PAPER AND PACKAGING SOLUTIONS

We believe the ultimate service to our customers is to enhance your success.

First, we listen; to gain an understanding of your needs.

Then, we respond; and in making our recommendations, we promise to be accountable to your objectives.

Cleaners

For floors, glass, disinfecting, food service, degreasing, carpets and more.

Floor Care

World's best floor finishes and sealers featuring exclusive polymers and strippers

Skin Care

Foams and lotions for complete skin care and hygiene.

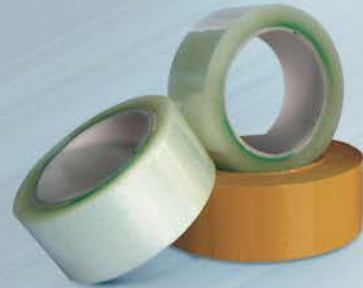

Paper

Attractive dispensing systems providing consumption control and waste reduction, as well as traditional products.

Packaging

General, specialty and custom-printed packaging solutions.

Equipment

Durability, reliability and performance. Save time and money with a full range of professional cleaning equipment.

PARTNERSHIP

We consider our suppliers and customers as partners. Together, we will realize cost reductions, integrate effective and efficient products and systems, and implement a service/training program that best suits your needs. This is done while respecting the environment, as well as workplace safety and hygiene.

“ We pledge our full resources towards your satisfaction - today and always. ”
